

SHADESAIL^{BLINDS}

Designer Lifestyle Shading

All our indoor Shade Sail Blinds are machine washable.

- ✓ If you have our no-drill fixing option please ensure that the channel part is removed. The nylon rod may be left inside the seam for machine washing.
 - ✓ Wash on a cool wash – no more than 30°C
- ✓ DO NOT iron, the creases will disappear as soon as your Shade Sails are back in place!
 - ✓ Drip Dry only, DO NOT tumble dry!

We do not recommend the use of Liquitabs or detergent capsules with our products.

To keep them looking at their best wash your Shade Sails twice a year.
